

# Anti-Bullying Launch Report

After weeks of meetings and training the Young Peoples Anti-Bullying Peer Education group held the launch of their project. The launch was held in the gig space of Fuse Youth Café on Tue 26<sup>th</sup> March 2013.

Prior to the event the young people agreed specific roles and used their own time to organise for the event. This included preparing information for the slides, creating slides, practicing delivery, creating paperwork for the sign in desk, organising catering and promoting the event.

During the presentation the group included a short activity to indicate how the training can be delivered in a fun way to get the message across to a young audience.

# Anti-Bullying Launch Report

After presenting to the audience the group received their anti-bullying training certificates then everyone had something to eat and took the opportunity to ask questions.

A total of 35 people attended the launch and the group successfully managed to sign up 11 organisations for anti-bullying training. The group will meet to organise training delivery over the next few weeks.

The feedback from evaluations was unanimously positive. 12 organisations advised that they would find the training extremely useful. There was a wide variety of bullying issues identified which included cyber-bullying and tackling bullying behaviours. Some of the positive comments organisations had for the anti-bullying group included:

- You were all stars at delivering the session today
- We really enjoyed the launch. The delivery was great and we loved your enthusiasm.
- Well done and thank you for addressing such an important issue which affects so many young people
- Very impressive-great example of youth led activity
- The young people have been given a great opportunity to pioneer a fantastic project and set real change in the greater Easterhouse, Baillieston and Shettleston areas. They are a real credit to themselves, parents and YoMo
- Keep believing in what you do
- Well done to each of them, very proud of them
- Very motivational work, well done

Thank you to everyone who bought raffle tickets for the giant Easter egg. The group managed to raise £58 and will decide during the next few meetings how this will be used. Congratulations to the winner Chloe from Easthall Park.
